Site manager for the specialist area of insulation (m/f/d) – Nationwide

With 230 permanent employees and over 220 freelancers, we have been supporting our customers for many years in the planning, manufacture, installation and maintenance of building equipment and supplying solutions of high German quality for construction projects throughout Europe.

TLC is undergoing a strong growth process and Denmark is one of our strategic growth areas.

If you have an entrepreneurial mindset, enjoy taking on responsibility and want to play an active role in shaping a modern working environment, then you've come to the right place!

We are looking for an experienced **site manager for the insulation department (m/f/d)** to start as soon as possible.

Locations: Klipphausen, Hamburg, Leuna, Jena, Berlin, Frankenthal

This is what you can expect from us:

- **Responsibility & variety:** An exciting role with creative freedom in a dynamic company with a real winner's mentality.
- **Attractive framework conditions:** permanent employment in a modern, international company.
- **A work culture that inspires:** open communication through our own employee app, flat hierarchies and collegial cooperation at eye level paired with regular company events.
- **Top equipment & fair remuneration:** company car and smartphone for our colleagues in the field, attractive salary and company health insurance.
- **Further development included:** Professional and personal development as well as the option of working on exciting and future-oriented projects throughout Germany.

What you can expect from us:

- Independent handling of major projects in the field of technical insulation – from work preparation to construction and invoicing.
- Coordination, control and monitoring of all trades and subcontractors involved in the construction, while adhering to schedules, budgets and quality and safety standards.
- Direct communication with clients, authorities and project participants – solution-oriented, binding and based on partnership.
- Preparation and checking of measurements and support with invoicing in cooperation with project management and controlling.
- Assisting with quality assurance, carrying out documentation during construction and recognizing and reporting deviations in the construction process.

Hiring organization

TLC Umwelttechnik GmbH

Employment Type

Full-time

Duration of employment

unlimited

Job Location

An der Novisol 2, 01665 Klipphausen, nationwide, Sachsen, Deutschland

What you bring with you:

- Completed training or studies as a technician, master craftsman or engineer – ideally with a focus on technical building equipment or insulation.
- Several years of professional experience in the construction management of technical projects – preferably in the field of insulation technology, fire protection or plant construction.
- Strong customer orientation, organizational talent and assertiveness – you maintain an overview even in complex construction projects and make clear decisions.
- Willingness to travel within Germany on a project-related basis – with the flexibility to adapt to changing locations.
- Confident handling of MS Office and ideally with industry-specific software (e.g. for construction scheduling or measurement processing).

Fancy a change?

Are you looking for an exciting professional challenge, but our current vacancies don't quite meet your expectations? Then show us what makes you unique and send us an unsolicited application! We look forward to receiving your detailed application including salary expectations and earliest possible starting date by e-mail to:
