Fitters in sheet metal processing (m/f/d)

With over 230 permanent employees and more than 220 freelancers, TLC has been a reliable partner in technical building services for many years. Our services include planning, production, installation and maintenance – with high German quality for demanding construction projects throughout Europe.

As part of our continuous growth, we are looking for motivated **fitters in the field of sheet metal processing (m/f/d)** to join our teams as soon as possible.

Location: Klipphausen

This is what you can expect from us:

- **Responsibility & variety:** An exciting role with creative freedom in a dynamic company with a real winner's mentality.
- **Attractive framework conditions:** permanent employment in a modern, international company.
- **A work culture that inspires:** open communication through our own employee app, flat hierarchies and collegial cooperation at eye level paired with regular company events.
- **Top equipment & fair remuneration:** company car and smartphone for our colleagues in the field, attractive salary and company health insurance.
- **Further development included:** Professional and personal development as well as the option of working on exciting and future-oriented projects throughout Germany.

What you can expect from us:

- They process thin sheets both manually and mechanically in the field of insulating sheet production and ventilation duct production.
- They produce casings, fittings and special parts for pipelines, ducts and containers.
- You will also measure sheet metal panels on the basis of drafts and sketches.
- They cut, punch, fold, round, bead and edge sheet metal parts.

What you bring with you:

- You have completed training in a metalworking profession or training as an insulation specialist
- You also have experience in metal and sheet metal processing
- You are also characterized by manual dexterity and very good technical understanding
- PC skills in the usual MS Office tools are an advantage, as is a good command of written and spoken German
- Reliability and punctuality round off your profile
